

To Whom it May Concern,

Reference for Glasseco Int Ltd

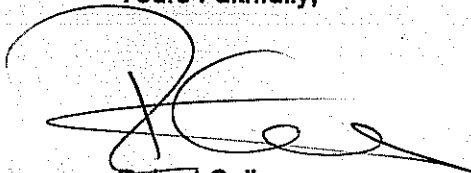

GlassEco have recently completed the manufacture and installation of bathroom vanity tops as part of an extensive refurbishment project at Jesus College in Cambridge.

We were extremely impressed with how GlassEco reacted throughout this project due to the very short lead times and installation programme that this project required.

The recycled glass product that GlassEco produce is simply stunning and we have no hesitation in recommending this company for any future works.

Should you require any further information, please do not hesitate to contact me on 01223 836611

Yours Faithfully,

Robert Culley

Senior Quantity Surveyor
